## EDGAR/FRASER and the New IDEA: Essential Facts...

### EDGAR

- All public companies must file.
- Includes financial statements, annual reports, mutual funds, prospectuses and other corporate information.
- Formatted via HTML and text
- Can search via SIK or SIC codes!
- Some historical data, but not too far back.
- Can FTP to get files.

### FRASER

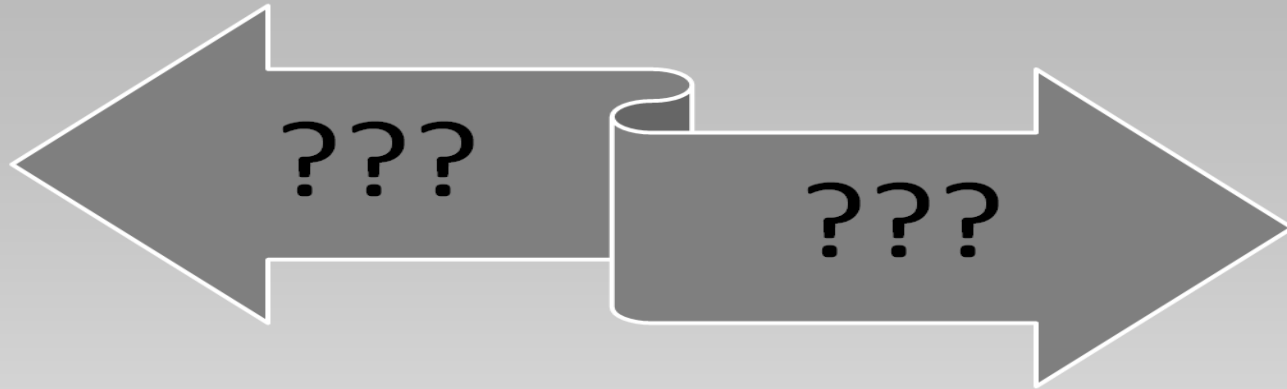

- Historical financial/Economic data
- Part of a series of economic databases.
- Includes historical publications
- PDF formatting
- Can view publications online or download to device/PC.
- Federal reserve history
- Statistics, graphs, charts and more!

### IDEA: A New EDGAR?

- Is scheduled to supplement and replace EDGAR.
- New methodology of access: Interactive Data or XBRL.
- Can be used independently of forms for reports—data extraction.
